

## Product Data Sheet

# PRCx – PE Generic Resin Infusion Connector

## UHMW Polyethylene

PE Generic Resin Infusion Port made from blue UHMW PE plastic

Property	Typical Value
Temperature Range	Max working temp 80 C / 176 F
Material Make	UHMW Polyethylene (PE) / Blue
Size	50 mm base diameter, 40 mm height
Part Number	PRC001 – 1/2" / 12.6 mm hole PRC002 – 5/8" hole / 15.9 mm hole PRC003 – 3/4" hole / 19.0 mm hole
Equivalence	Airtech VAC RIC 12 – 1/2" Resin Infusion Connector Airtech VAC RIC 58 – 5/8" Resin Infusion Connector Airtech VAC RIC 34 – 3/4" Resin Infusion Connector

*Custom fittings, lengths & material makes may be available. Please contact PD3 for more information.*
